

EMBASSY OF ROMANIA
to Japan

The Ambassador

May 2020

Your Excellency,

I have the honour to extend to you a warm invitation to participate in 23rd annual ***Japan through Diplomats' Eyes Photo Exhibition 2020***. The event, under the high patronage of **Her Imperial Highness Princess Takamado**, serves as an excellent platform for cultural exchange and friendship between nations and is open for ambassadors, as well as diplomats and spouses. The Opening Ceremony will take place on 6 October 2020, at Hills Café in Roppongi Hills and the exhibition will continue to be on display until 11 October 2020.

The theme for 2020 edition, agreed by the Executive Committee, is:

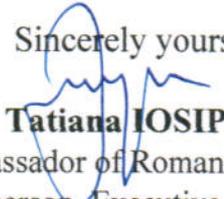

At Home in Japan - Japan through Diplomats' Eyes

as an invitation to share the many ways in which we experience our host country during these challenging times of the novel coronavirus pandemic, and to send a message of encouragement and hope for the future. In order to promote a wider participation, there will also be an *open theme* category, where we invite you to share any image or scene that you consider to capture the very essence of Japan.

If you wish to participate, please fill out the attached Entry Form and send it to ***Japan through Diplomats' Eyes***, to the attention of Mr. Shinobu Abe, Executive Director, before **30 June 2020**. The deadline for the submission of your photographs is **30 July 2020**. More information is available at: <http://www.diplomatseyes.com>

I very much hope that Your Excellency will be a part of this rewarding experience and I look forward to receiving your entries!

Sincerely yours,

Tatiana IOSIPER
